Important Information

- N.B. 1:** DuneHoppers can also commence and/or end at Swakopmund with altered departure and arrival times.
- N.B. 2:** DuneHoppers are **not** based on exclusive charter. There might be other passengers travelling as well. The same accounts for inter-lodge road transfers.
- N.B. 3:** Exclusive charters can be booked on request (at additional cost) and departure times would be completely flexible. Such tours would then become a "Wings to Wolwedans & Sossusvlei" package. Combination of DuneHopper and private charter - if need be - can be arranged.
- N.B. 4:** Flights can be, but are not guaranteed to be direct from Eros/Swakop to your final destination. Stop-over's en-route (to pick up or drop other DuneHopper passengers) at other airfields in the area can occur, however maximum travelling time from A to B will be less than 2 hours in total. The same accounts for road transfers from any of the Sossusvlei lodges to Wolwedans (no private transfer!!!)
- N.B.5:** **Please Note that the DuneHopper departure times are flexible.** We will endeavour to keep to our indicated departure times but clients need to know that last minutes changes are possible. If clients are not flexible then the charter flight option should be considered.
- N.B.6:** All Rates (include Single Supplement) are fully commissionable.
- N.B.7:** Luggage restriction 12 kg per person in soft bags, **(subject to clients weight and balance prior to travelling)**
- N.B.8:** We will charge a single Supplement for the flight portion /Single passenger will be liable to pay for 2 seats if travelling alone.
- N.B.9:** Airport taxes are excluded and subjected to change

Departs Swakopmund Airport at 14h15 and arrives Wolwedans/ Sossusvlei at 15h30 & Departs Wolwedans / Sossusvlei at 12h30 and arrives Swakopmund Airport 13h45

Luggage is restricted to 12 kg in soft bags.

For one or two people this scheduled air taxi (based on fixed seat rates) from Windhoek and Swakopmund to the Sossusvlei area and Wolwedans, is the answer. The service is offered by NatureWings and seats can be booked directly, or through a tour operator. Chartering a private plane provides you with a greater deal of flexibility. You travel when it pleases you, no need to adhere to rigid schedules. Chartering a Cessna 210 makes sense for three or four people and a larger plane for bigger groups. Charters normally take you to other destinations as well. You can also book a combination of charter and DuneHopper. Whether you opt for the DuneHopper or book a private charter, you will enjoy a unique bird's eye view of Namibia. The rates and departure times are subject to change without further notice – please always ask for current schedule and rates.

***The above packages are subject to availability at the time of booking.**
