Footnote 1&2: The NamibRand Nature Reserve Park Fee (conservation levy) and the Wolwedans Foundation Levy are charged on top of the daily rate (non commissionable for agents!). These extra ("do-good-and-give-back") fees are collected by NamibRand Safaris on behalf of the NamibRand Nature Reserve and the Wolwedans Foundation. The funds are channelled directly into conservation on NamibRand and community projects (essentially vocational training at Wolwedans). Hence, every guest makes a **direct** and positive contribution towards conservation and the Namibian community.

Additional notes (small print) regarding 2017 Rates

1. All rates are quoted in Namibia Dollars (NAD) per person per night
2. A 50% discount will be offered for every third night, providing guests stay in same camp/room. A third night is highly recommended and resembles a handsome discount on the overall stay. Guests who wish to stay longer (four to ten nights and more) qualify for a 50% discount for every 3rd night (meaning night six and nine). It is sensible though - if planning to stay a week and longer - to become a Wolwedans Club member and benefit from a 50% discount throughout the entire stay. You will find more info on this exciting (long stay) retreat option on our webpage at <http://www.wolwedans.com/lodges-camps/club-chateau/>
3. Park fees (conservation levy) and the Foundation Levy (see footnote on rates page) will show on invoices separately **and in addition** to daily rate. Fees and Levies are charged in advance with the accommodation payment, and are not collected at Wolwedans (as is the case with other parks). They are automatically added to invoice and must be pre-paid with booking/reservation. Fees could be changed without prior notice.
4. The 1% NTB (Namibia Tourism Board) Levy IS included in the accommodation rate, but shown separately.
5. All prices are inclusive of full board, standard bar/beverages and standard shared activities. Private activities come at an extra cost (except for Mountain View Suite at the Dunes Lodge and Private Camp). The fully inclusive price excludes NamibRand Nature Reserve Park Fee, Foundation Levy, imported spirits, vintage wines and extra activities like hot-air ballooning, scenic flights, horse-riding, massages, bush barbeques, sleep-outs, etc.. These will be charged extra and are offered on a first come first serve basis.
6. Private Camp has three en-suite rooms only (6 beds). Kids sharing bathroom of room 3 with parents can be accommodated in the Sala. A minimum of 3 adults need to be booked to confirm the Private Camp. If only 2 guests are booked (possible) they will pay for three guests at the fully inclusive rate.
7. Boulders Camp, an exclusive satellite camp 45km south of Wolwedans and sleeping only ten guests, should ideally be booked in conjunction with a first night or two at Wolwedans. Rooms/tents at Boulders have a similar standard as the Dunes Lodge or Dune Camp. However, Boulders is far more exclusive as it only sleeps ten guests and is situated far off the beaten track. The scenery is breathtaking and guest have a VERY exclusive experience.
8. The drive from Wolwedans to Boulders takes at least 1.5 hours and has scenic drive character as it passes through beautiful landscapes. Boulders has a separate reception and airstrip at Farm Aandster, situated on the C27 some 50 km's south of the Wolwedans gate. Please request map or get it from the webpage.
9. Pilots and guides are accommodated at the lodge or camps if space is available as a first option (either in dedicated guide/pilot rooms or standard rooms). Should the sites be fully occupied by full-paying guests, guides and pilots will be accommodated in adequate guest rooms at the farmhouse (village). Should this be the case, guides and pilots would still join their guests for all meals and activities. Prices quoted above remain, regardless where they eventually stay. If guests/agents insist that pilots and/or guides stay with them at the camps on a guaranteed basis, they have to pay full price.
10. Pilots and guides (accompanying a group) have to pay for drinks at 50% discounted rates.
11. Children who share a room with parents pay 25% of adult rate as we will put in an extra bed/matress. In consideration of other guests, please note that babies and kids under 6 years old can only stay at Wolwedans if a camp is booked exclusively, or the family stays at either Private Camp or Mountain View Suite).
12. Children (6 yrs - 12 yrs) occupying their own room/tent pay 50% of standard rates. The same applies if 3 kids share a room (with extra bed).
