Special: 50% discount for every third night (at same Camp)

Additional notes (small print) regarding 2019 Rates

1. All rates are quoted in Namibia Dollars (NAD) per person per night and include VAT.
2. The Sustainability Levies are charged on top of the daily rate (non commissionable for agents!). These levies are collected to advance the Wolwedans 4C (business for good) model. Wolwedans is walking the talk when it comes to finding new (and more just) ways on how we go about doing business. The levies are collected by NamibRand Safaris on behalf of the NamibRand Nature Reserve (park fee collection) and the Wolwedans Foundation. The levies are channelled directly (and in equal portions of NAD 280 p.p./night) into conservation (NamibRand and other), Community (essentially vocational training at Wolwedans) and Culture support (Namibia at large). Levies are collected from *every* visitor and do not form part of our commercial bottom-line. Hence, every Wolwedans guest makes a direct, positive and guaranteed contribution towards "working today for a better tomorrow". To learn more about our 4C sustainable business model and the work of the Wolwedans Foundation, **visit www.wolwedans.org**
3. Children who share a room with parents pay 25% of adult rate as we will put in an extra bed/mattress. If children are older than 6, we can pitch an Igloo tent on the deck next to parent' room (fun for children and privacy for parents). This needs to be pre-booked. In consideration of other guests, please note that babies and kids under 6 years old can only stay at Wolwedans if a camp is booked exclusively, or the family stays at either Private Camp, Mountain View Suite or Dune Camp Private).
4. Children and teens (6 yrs - 16 yrs) occupying their own room/tent (except pitched Igloo tents on parents' deck) pay standard rates. If three children share a room, one will be at 25% (as if sharing with parents)
5. As of 2018, Dune Camp offers a family room with "Nanny service" and opens for families with kids younger than 6 years. Only 2 tents with a joined lounge and kitchenette are available and in this event, kids pay 50% of normal rate.
6. A 50% discount will be offered for every third night, providing guests stay in same camp/room. A third night is highly recommended and resembles a handsome discount on the overall stay. Guests who wish to stay longer (four to ten nights and more) qualify for a 50% discount for every 3rd night (meaning night six and nine). It is sensible though - if planning to stay a week and longer - to become a Wolwedans Club member and benefit from a 50% discount throughout the entire stay. You will find more info on this exciting (long stay) option on our webpage at <http://www.wolwedans.com/lodges-camps/club-chateau/>
7. All prices are inclusive of full board, standard bar/beverages and standard shared activities. Private activities come at an extra cost (except for Mountain View Suite and Private Camp).
8. The fully inclusive price excludes imported spirits, vintage wines and extra activities like hot-air ballooning, scenic flights, horse-riding, massages, bush barbeques, sleep-outs, etc.. These will be charged extra and are offered on a first come first serve basis.
9. Sustainability levies - comprising NamibRand park fees (for conservation), Community levy (advancing vocational training at Wolwedans) and Culture Levy (promotion of culture at large) - will show on invoices separately and in addition to daily rate. Fees and Levies are charged in advance with the accommodation payment, and are not collected at Wolwedans (as is the case with other parks). They are automatically added to invoice and must be pre-paid with booking/reservation. Fees could be changed without prior notice.
10. The 1% NTB (Namibia Tourism Board) Levy is included in the accommodation rate, and shown separately
11. Private Camp has three en-suite rooms (6 beds). Kids sharing bathroom with parents can be accommodated in the Sala or a Igloo tent pitched on the main complex deck. In this case, kids pay 25% of normal rate. A minimum of 3 adults need to be booked to confirm the Private Camp. If only 2 guests are booked (possible) they will pay for three guests at the fully inclusive rate. The same applies to parents traveling with one child.
12. Boulders Camp, an exclusive satellite camp 45km south of Wolwedans and sleeping only ten guests, should ideally be booked in conjunction with a first night or two at Wolwedans. Rooms/tents at Boulders have a similar standard as the Dunes Lodge or Dune Camp. However, Boulders is far more exclusive as it only sleeps ten guests and is situated far off the beaten track. The scenery is breathtaking and guest have a VERY exclusive experience.
13. Boulders requires a 3 nights stay (last night at 50%) at fixed arrival dates (every third day). This is necessary to give all Boulders visitors the best experience. One-night stay's at Boulders don't do justice to the camp and the guest
14. The drive from Wolwedans to Boulders takes at least 1.5 hours and has scenic drive character as it passes through beautiful landscapes. Boulders has a separate reception and airstrip at Farm Aandster, situated on the C27 some 50 km's south of the Wolwedans gate. Please request map or get it from the webpage.
15. Pilots and guides are accommodated at the lodge or camps if space is available as a first option (either in dedicated guide/pilot rooms or standard rooms). Should the sites be fully occupied by full-paying guests, guides and pilots will be accommodated in adequate guest rooms at the farmhouse (village). Should this be the case, guides and pilots would still join their guests for all meals and activities. Prices quoted above remain, regardless where they eventually stay. If guests/agents *insist* that pilots and/or guides stay with them at the camps on a guaranteed basis, they have to pay full price.
16. Pilots/guides have to pay for drinks at 50% discounted rates, unless they are invited by the group they guide.
